RE: Fulton County Joint Comprehensive Plan

Dear Tim:

We wanted to write and let you know that it was a pleasure working with you and the Rettew team on the development of our Comprehensive Plan. We enjoyed getting to know you better and always found you easy to work with. It was always appreciated that you took our thoughts and concerns and those of the community seriously and incorporated them into the plan. Your professionalism allowed the project to be completed more easily and ahead of schedule. We found it easy to get in touch with you and you always provided direct answers to our questions. The results of the project have exceeded our expectations and we are proud of the plan.

As always, if you need anything, please feel free to give us a call at 717-485-3717 and we look forward to working with you again in the future.

Sincerely,

Mary K. Seville
